1. Do you believe the Second Amendment of the Bill of Rights is an individual right, protected by the Constitution of the United States of America, and it is the duty of the United States Senate to protect that right?

Yes  No

2. If elected, would you OPPOSE legislation like S. 529 that restricts law-abiding citizens from privately selling firearms to other law-abiding citizens without possessing a Federal Firearms License or submitting to a state or federal background check? These checks form a defacto national gun registry, which the ATF recently said contains one billion records.

Yes  No

3. If elected, would you OPPOSE legislation like S. 1819 that establishes 'Red Flag Gun Seizures' in America, knowing that these proposals violate Americas long enshrined due process rights by allowing the courts to order the seizure of a gun owner's firearms, before they've been convicted of a crime in a court of law?

Yes  No

4. If elected, would you OPPOSE legislation like S. 1108 that makes it illegal for law-abiding citizens to own and possess firearms accessories such as standard 30-round magazines, suppressors and other accessories that are in common use, making firearms safer to use while not increasing violent crime?

Yes  No

5. If elected, would you OPPOSE legislation like S. 736 which makes felons out of law-abiding gun owners for the sale, manufacture, importation, or possession of hundreds of different styles of semi-automatic rifles, shotguns or handguns, including the AR-15?

Yes  No

6. If elected, would you OPPOSE all legislative attempts to disarm law abiding citizens through mental health processes that allow judges, doctors, nurses, psychiatrists, psychologists, or anyone else to arbitrarily declare someone mentally defective, disarming them before they've had their day in court?

Yes  No

7. If elected, would you SUPPORT legislation like H.R. 6248 which establishes a national Stand-Your-Ground law, by removing the current 'duty to retreat' and allowing gun owners to defend themselves against violent predators, without having to retreat first?

Yes  No

8. If elected, would you SUPPORT legislation like H.R. 3960 which would abolish the scandal-ridden Bureau of Alcohol, Tobacco, Firearms and Explosives after giving them time to inventory and sell the firearms in their possession and divert their cases to the Federal Bureau of Investigation?

Yes  No

9. If elected, would you SUPPORT legislation that would repeal the 1994 Gun Free Schools Act, which has made America's schools the site of repeated mass shootings, as violent criminals know that they are unlikely to face any armed opposition?

Yes  No

10. If elected, would you SUPPORT legislation like H.R. 993, a national Second Amendment Preservation Act, that prohibits the use of federal funds to enforce federal gun control laws, regulations, executive orders, treaties etc. or any regulation issued by the Bureau of Alcohol, Tobacco, and Firearms?

Yes  No
